

Artist and studio-apartment residency exchanges

BELGIUM ↔ QUÉBEC

In 2016, the Conseil des arts et des lettres du Québec (Conseil) entered into a partnership agreement with the BPS22 Musée d'art de la Province de Hainaut (BPS22) for the implementation of a creative residency exchange program in the visual arts.

Under this exchange agreement, a Québec artist can engage in a sojourn in Charleroi at BPS22. In return, a Belgian francophone artist will be invited to Québec, to engage in a residency in the Saguenay region, at the Centre Bang.

For the use of the invited artists, the BPS22 makes available a private residence within the museum (including bathroom facilities, kitchenette and office) as well as a suitable workshop space dependent upon the nature of their project. BPS22 will also publish a Cahier de recherches for each invited artist.
